

Math 221: Basic Statistics Homework # 7B

Title: Computing Binomial Probabilities Using Excel

Objectives:

-

Math 221: Basic Statistics Homework # 7C

Title: Computing Binomial Probabilities Using Excel

Objectives:

- To practice using Excel to compute binomial (BINOMDIST)
- To understand when to use the binomial distribution.

Math 221: Basic Statistics Homework # 7D

Title: Computing Binomial Probabilities Using Excel

Objectives:

-

Math 221: Basic Statistics Homework #7E

Title: Computing Binomial Probabilities Using Excel

Objectives:

- To practice using Excel to compute binomial (BINOMDIST)
- To understand when each type of distribution is appropriate.

Directions

- Use the information in section 4.2 to help you complete this assignment. In addition,

-
